Stream Starts in Counter: (5 Minutes for example) - ✓

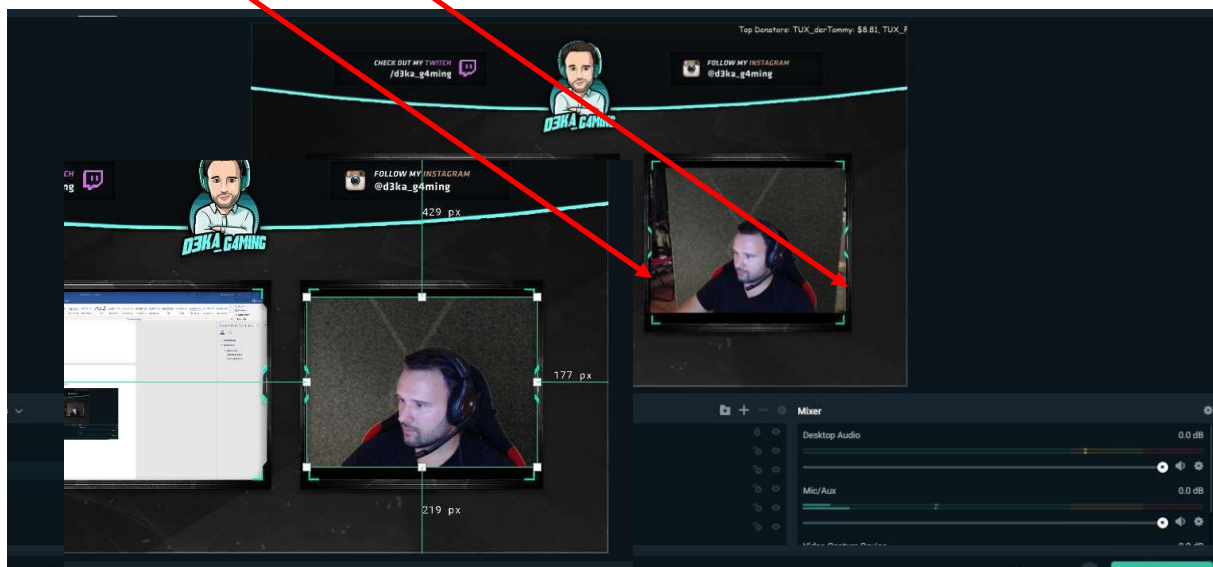

Top Donations: it is static and u can just see 1 of 3 donations or donators. It should flow (like in this stream <https://www.twitch.tv/germandota> )

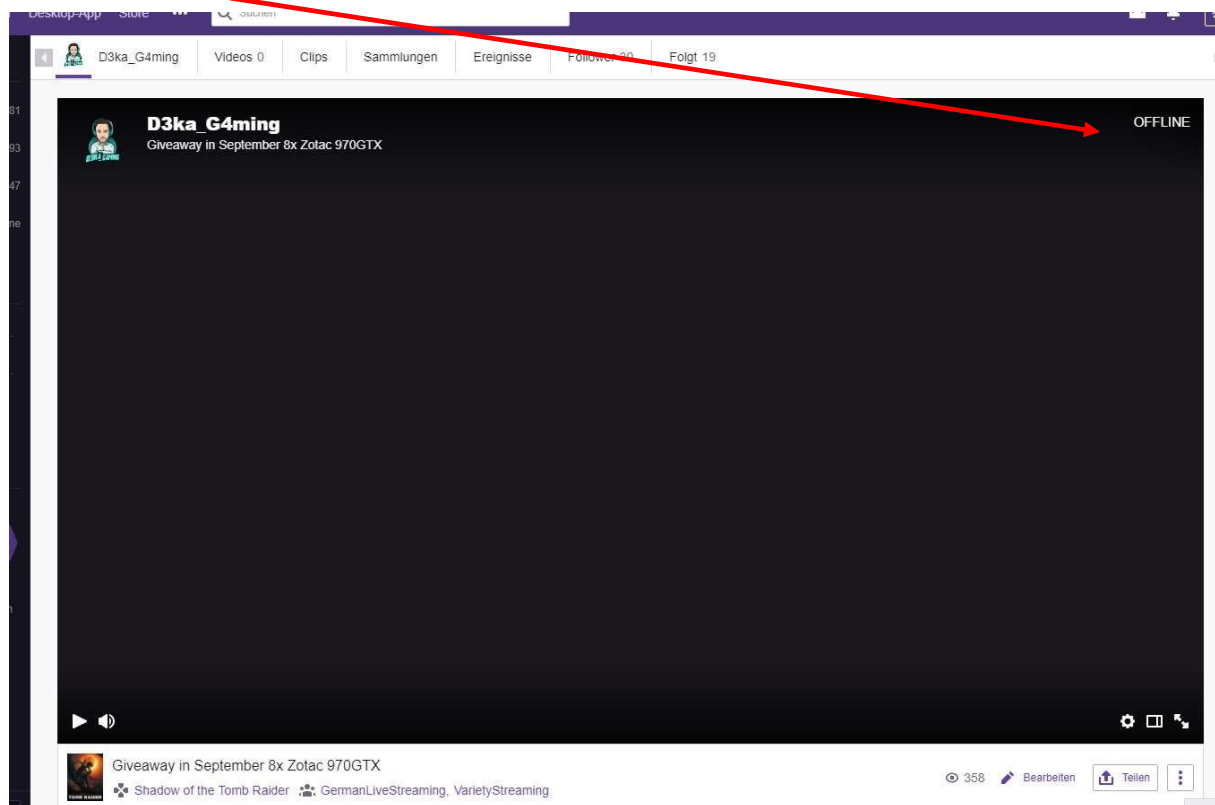

Can You change it from TIPS to Donation? - Nur wenn man im Besitz der Original PSD (Grafik) ist

Need to set ALWAYS "Video Capture Device" to zoom in. Was meinst du damit?

Offline Screen: Got an Extra Picture for it
